ATTORNEY DOCKET NO. FUJI:344

REMARKS

Applicant respectfully requests that the foregoing amendments be made prior to examination of the present application. The present application is the U.S. National Stage of an International application. The database of the USPTO reflects the title of the International application, and not the title that was on the translation of the application that accompanied the National Stage filing. This amendment seeks to ensure that the title of the application in the USPTO records is the one that was on the translation provided at the time of U.S. National Stage filing, and not the title given to the International application.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,

ROSSI, KIMMS & McDOWELL LLP
